Introduction Page:

The intro page will be centered and only be used to gain entry to the rest of the website.

- On the top of the Introduction Page there will be a menu section centered going horizontally across the screen
  - Home
  - Words
  - About us
  - Contact us
- Below the menu the company name will be displayed: PINSPIRARE
- Below the title will be the logo that has been created for PINSPIRARE
- Below the logo there will be a button to enter the the rest of the website

Words Page:

At the top right corner of the page there will be a button to create your own words. Below the create button there will be a search bar where you can search for posts.

The words page will be the database for the posted inspirational phrases. Each post will contain:

- Creators name
- Creators state/country
- The Phrase
- What the phrase means to the creator
- A way to up-vote posts
- Date of post
- Unique Serial Number

You would be able to use the page to view all of the words that people have posted.

Contact Page:

The contact page will have a section where you can email PINSPIRARE. The user would have to fill in:

- Their Name
- Their Email
- The message to PINSPIRARE

About Us Page:

The About Us Page will have a section written up by the creator of PINSPIRARE talking about what it means to him and how he created it. (will give on request)
